The Adult Winter Reading Program is fully underway for 2020 and runs through February 29. As of February 8, there were a total of 44 patrons signed up. Nine had finished the program.
Brian ran his "How to Publish Your Book" seminar on January 28. Nine patrons attended the program and received tips on getting your book ready for publication once it has been written. He has since been in contact with some of the patrons to help them individually.

We have added Crownpointe as a new destination for the Doorstep Program for our patrons. Brian also did an adult storytime there on January 9, with 16 people attending.

Youth Services (Ayres)
We had 28 participants at our January 29 Lego Bricks Club. This event is a fun, exciting way for kids of all ages to challenge the way that they think. Each month there is a new challenge for them to tackle, and anyone who attempts the challenge will have their creation displayed prominently within the library. From spelling your name in Legos to creating the perfect summer memory, the creations from every child that attends are limitless.

Our DIY Craft table in the Youth Area has become a very popular stop for children. In January, we had 284 participants who made different crafts such as calendars, Valentines to donate to people in the Crown Pointe Assisted Living facility, and a couple of snowflake crafts. At the January 10 T.A.B. meeting, members received new membership shirts that were designed by one of their own. The Teen Advisory Board is preparing for their annual lock-in, which will take place on February 21. We currently have 26 T.A.B. members.
