

ROSETTA'S HOUSE GUIDELINES

Stay With Your Child

To ensure your child has a good library experience, we ask caregivers to be present in the room at all times.

Clean Up

Please help your child play responsibly which includes cleaning up all toys and activities that were used, before moving on to other activities.

Have Fun

Guide your child to choose developmentally appropriate toys and play constructively, safely and with courtesy to others.

The Library reserves the right to ask caregivers to leave Rosetta's House for the day if their child is acting irresponsibly or if their child is left unsupervised.
