# Our Library. Our Future.

Announcing a capital campaign to support a revitalization of Lincoln Township Public Library for generations to come

After working with architects, builders, patrons, community groups, and staff, the Lincoln Township Public Library Board of Trustees finalized a plan to update, revitalize, and refresh the Library. In 2023, they approved a \$1 million pledge towards the project, possible due to years of resident support through annual taxes and prudent fiscal management.

## Project Overview:

- \$1.5 million project
- 18-month timeline
- Sustainability focus in material selection
- Opportunity to optimize current space
- Designed with a focus on patron experience

## Specific elements:

- Lowering shelves for access and security
- Installing new fixtures and furniture that combines functionality and flexibility
- Updating with new carpeting and paint
- Enhancing Rosetta's House
- Improving staff workspaces for better collaboration
- Updating lighting for energy conservation
- Highlighting outdoor spaces to increase usage
- Adding amenities such as a coffee alcove, digital lab, and dedicated teen space
