Technology Glitches

Please contact the Friends if you have any difficulty with the emailed newsletter. The email address is on the front page.

Also, please note that occasionally--in the conversion of a Word Document to a PDF format (for emailing)--symbols may appear. If something looks like it doesn't belong, it's probably appeared in the conversion.

Book and Movie Donation Reminder

The Friends appreciate donations of books and movies in good condition and are currently in need of fiction, nonfiction, and children's books and movies. Puzzles in good condition are also appreciated. These donations make the Friends' Treasure Shop possible. **Please make sure that donated items are free of mold and odors.** Damp basements are not friendly locations for books.

Paperbacks

The Friends continue to sell smaller (discontinued in December 2025) mass market paperback books in the store. It may be a number of years before the supply drops off. The larger "trade" size are being produced and are sold in the store.

Looking Ahead to June,

and August 2027 Summer Reading

While the current Summer Reading Program is proceeding, the Library staff members are thinking ahead to the 2027 program. You can show your appreciation by thanking a staff member when you're at the Library as a lot of effort is involved in planning all the events.

Thanks Again!

Thanks for supporting the Friends
and showing patience
with the transition to a digital format!
